

# TRAINERS EXCHANGES

## ABOUT

The Trainers exchanges at EJTN are a unique occasion for judicial trainers to exchange experiences with their peers across Europe on recent developments and best practices in judicial training.

During 5 days, participants actively explore other judicial training cultures and learn about training methodologies, pedagogical tools, and training initiatives developed by the host country.

Upon their return, they are encouraged to implement new techniques they discovered and share knowledge gained with their colleagues.

The exchange follows specific objectives and guidelines developed at EJTN, in particular the EJTN Judicial Training Principles and the European standards on judicial training - European Commission's Pilot Project JUST/2012/JUTR/PR/0064/A4 on European Judicial Training.

## HIGHLIGHTS

Programmes are based on EJTN objectives and guidelines.

Exchanges are adapted to the participants' personal objectives to improve their individual experience, while maintaining a consistent approach.
